03/27/2017

This Firm Brochure (“Brochure”) provides information about the qualifications and business practices of Market Street Wealth Management Advisors, LLC. If you have any questions about the contents of this brochure, please contact us at telephone number 317-870-1312 or e-mail TimW@mswma.com. The information in this brochure has not been approved or verified by the United States Securities and Exchange Commission or by any state securities authority.

Additional information about Market Street Wealth Management Advisors, LLC also is available on the SEC’s website at www.adviserinfo.sec.gov. You can search this site by a unique identifying number, known as a CRD number. Our firm’s CRD number is 122212.

Item 2 Material Changes

This Item will be used to provide our clients with a summary of new and/or updated information. We will inform you of the revision(s) based on the nature of the updated information.

There have been the following changes to Market Street Wealth Management Advisors, LLC's Part 2A Brochure since this year's Annual Amendment filing on March 28, 2016: disclosure additions and enhancements, including at Items 4, 5 and 12 regarding financial planning limitations, mutual funds (including DFA funds), Foundations offering, new Chief Compliance Officer, Tim B. Woodward, CFP®, retirement rollovers, minimum fees, and non-soft dollar economic assistance. **ANY QUESTIONS:** Market Street Wealth Management Advisors, LLC's Chief Compliance Officer, Tim B. Woodward, CFP® remains available to address any questions regarding this Part 2A, including the disclosure additions and enhancements below.

Consistent with the new rules, we will ensure that you receive a summary of any material changes to this and subsequent Brochures within 120 days of the close of our business' fiscal year. Furthermore, we will provide you with other interim disclosures about material changes as necessary.

Other information not specified in this summary has been revised since our most recent filing. Consequently, we encourage you to read this Brochure in its entirety.

Item 4 Advisory Business

Market Street Wealth Management Advisors, LLC is a SEC-registered investment adviser with its principal place of business located in Indiana. Market Street Wealth Management Advisors, LLC began conducting business in 2001.

Listed below are the firm's principal shareholders (i.e., those individuals and/or entities controlling 25% or more of this company).

- Kevin J. Ervin, Managing Partner

The client can engage Market Street Wealth Management Advisors, LLC to provide discretionary investment management, financial planning services, and/or retirement plan consulting services (**see discussions below**). Before engaging Market Street Wealth Management Advisors, LLC to provide investment advisory services, clients are required to enter into an agreement with Market Street Wealth Management Advisors, LLC setting forth the terms and conditions of the engagement, describing the scope of the services to be provided, and the fees that a client will incur (**see** fee schedule at Item 5 below).

Market Street Wealth Management Advisors, LLC provides investment advisory services specific to the needs of each client. Before providing investment advisory services, Market Street Wealth Management Advisors, LLC will ascertain the client's investment objective(s). Market Street Wealth Management Advisors, LLC will then allocate the portfolio consistent with the designated investment objective(s). Market Street believes that financial planning is very important for individual and family clients. To the extent engaged to do so by an individual or family client, Market Street Wealth Management Advisors, LLC will generally provide financial planning and consulting services as part of its investment management fee as set forth at Item 5 below. **See Limitations of Financial Planning** below. **Please Note:** Foundation and Pension Consulting clients **do not** receive financial planning services.

SERVICE OFFERINGS: Market Street Offers the following services per the fee schedules disclosed at Item 5 below:

- **Investment Management with Planning;**
- **Investment Management without Planning;**
- **ERISA Plans and Retirement Plan Consulting Engagements:** We may be engaged to provide investment advisory services to ERISA retirement plans, whereby the Firm shall manage Plan assets consistent with the investment objective designated by the Plan sponsor. In such engagements, the Firm will serve as an investment fiduciary as that term is defined under The Employee Retirement Income Security Act of 1974 ("ERISA"). The Firm will generally provide services on an "assets under management" fee basis per the terms and conditions of an Investment Advisory Agreement between the Plan and the Firm. We may also provide investment advisory services to participant directed retirement plans per the terms and conditions of a Retirement Plan Services Agreement between us and the plan. For such engagements, we shall assist the Plan with the selection of an investment platform from which Plan participants shall make their respective investment choices, and, to the extent engaged to do so, may also provide corresponding education to assist the participants with their decision-making process.

- **Foundations is designed for clients with less than \$250,000 of investible assets:** Market Street provides portfolio management services through Institutional Intelligent Portfolios™, an automated, online investment management platform for use by independent investment advisors and sponsored by Schwab Wealth Investment Advisory, Inc. (the “Program” and “SWIA,” respectively). Through the Program, Market Street offers clients a range of investment strategies it has constructed and manages each consisting of a portfolio of exchange traded funds (“ETFs”) and a cash allocation. The client may instruct Market Street to exclude up to three ETFs from their portfolio. The client’s portfolio is held in a brokerage account opened by the client at SWIA’s affiliate, Charles Schwab & Co., Inc. (“Schwab”). Market Street is independent of and not owned by, affiliated with, or sponsored or supervised by SWIA, Schwab or their affiliates (together, “Schwab”). The Program is described in the Schwab Wealth Investment Advisory, Inc. Institutional Intelligent Portfolios™ Disclosure Brochure (the “Program Disclosure Brochure”), which is delivered to clients by SWIA during the online enrollment process.

Market Street, and not Schwab, is the client’s investment adviser and primary point of contact with respect to the Program. Market Street is solely responsible, and Schwab is not responsible, for determining the appropriateness of the Program for the client, choosing a suitable investment strategy and portfolio for the client’s investment needs and goals, and managing that portfolio on an ongoing basis. SWIA’s role is limited to delivering the Program Disclosure Brochure to clients and administering the Program so that it operates as described in the Program Disclosure Brochure.

Market Street has contracted with SWIA to provide it with the technology platform and related trading and account management services for the Program. This platform enables Market Street to make the Program available to clients online and includes a system that automates certain key parts of Market Street’ investment process (the “System”). The System includes an online questionnaire that helps Market Street determine the client’s investment objectives and risk tolerance and select an appropriate investment strategy and portfolio. Market Street will recommend a portfolio via the System in response to the client’s answers to the online questionnaire. The client may then indicate an interest in a portfolio that is one level less or more conservative or aggressive than the recommended portfolio, but Market Street then makes the final decision and selects a portfolio based on all the information Market Street has about the client. The System also includes an automated investment engine through which Market Street manages the client’s portfolio on an ongoing basis through automatic rebalancing and tax-loss harvesting (if the client is eligible and elects).

Market Street does not receive a portion of a wrap fee for its services to clients through the Program. Clients do not pay fees to SWIA in connection with the Program, but Market Street does charge clients a fee for its services as described below under the “Fees and Compensation” section below. Market Street’ fees are not set or supervised by Schwab. Clients do not pay brokerage commissions or any other fees to Schwab as part of the Program. Schwab does receive other revenues in connection with the Program, as described in the Program Disclosure Brochure. Market Street does not pay SWIA fees for its services in the Program so long as Market Street maintains \$100 million in client assets in accounts at Schwab that are not enrolled in the Program. If Market Street does not

meet this condition, then Market Street must pay SWIA an annual fee of 0.10% of the value of Market Street' clients' assets in the Program.

Conflict of Interest: This fee arrangement presents a **conflict of interest**, as it provides an incentive for Market Street to recommend that clients maintain their accounts at Schwab. Notwithstanding, Market Street generally recommends to its clients that investment management accounts be maintained at Schwab based on the considerations discussed in Item 12 below, which Market Street believes mitigates this conflict of interest. **Market Street's Chief Compliance Officer, Tim B. Woodward, CFP®, remains available to address any questions that a client or prospective client may have regarding the above conflict of interest.**

The Program Disclosure Brochure includes a discussion of various risks associated with the Program, including the risks of investing in ETFs, as well as risks related to the underlying securities in which ETFs invest. In addition, the Program Disclosure Brochure also discusses market/systemic risks, asset allocation/strategy/diversification risks, investment strategy risks, trading/liquidity risks, and large investment risks.

Limitations of Financial Planning and Non-Investment Consulting/Implementation Services. Market Street offers to provide financial planning services. To the extent engaged by a client, in writing, to do so, Market Street Wealth Management Advisors, LLC shall generally provide financial planning and related consulting services regarding non-investment related matters, such as estate planning, tax planning, insurance, etc. inclusive of its investment management fee at Item 5 below. **Please Note:** We **do not** serve as an attorney, accountant, or insurance agency, and no portion of our services should be construed as same. Accordingly, we **do not** prepare estate planning documents, tax returns or sell insurance products. To the extent requested by a client, we may recommend the services of other professionals for certain non-investment implementation purpose. The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation that we make. **Please Note:** If the client engages any unaffiliated recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional.

Please Note: Retirement Rollovers – Potential for Conflict of Interest: A client or prospective client leaving an employer typically has four options regarding an existing retirement plan (and may engage in a combination of these options): (i) leave the money in the former employer's plan, if permitted, (ii) roll over the assets to the new employer's plan, if one is available and rollovers are permitted, (iii) roll over to an Individual Retirement Account ("IRA"), or (iv) cash out the account value (which could, depending upon the client's age, result in adverse tax consequences). If Market Street Wealth Management Advisors, LLC recommends that a client roll over their retirement plan assets into an account to be managed by Market Street Wealth Management Advisors, LLC, such a recommendation creates a **conflict of interest** if Market Street Wealth Management Advisors, LLC will earn an advisory fee on the rolled over assets. **No client is under any obligation to rollover retirement plan assets to an account managed by Market Street Wealth Management Advisors, LLC. Market Street Wealth Management Advisors, LLC's Chief Compliance Officer, Tim B. Woodward, CFP® remains available to address any questions that a client or prospective client may have regarding the potential for conflict of interest presented by such rollover recommendation.**

Please Note – Use of Mutual Funds: Most mutual funds are available directly to the public. Thus, a prospective client can obtain many of the mutual funds that may be recommended and/or utilized by Market Street Wealth Management Advisors, LLC independent of engaging Market Street Wealth Management Advisors, LLC as an investment advisor. However, if a prospective client determines to do so, he/she will not receive Market Street Wealth Management Advisors, LLC’s initial and ongoing investment advisory services. **Please Also Note – Use of DFA Mutual Funds:** As indicated above, most mutual funds are available directly to the public, without need to engage an investment professional. Other mutual funds, such as those issued by Dimensional Fund Advisors (“DFA”), are generally only available through registered investment advisers. Market Street Wealth Management Advisors, LLC utilizes DFA mutual funds. Thus, if the client was to terminate Market Street Wealth Management Advisors, LLC’s services, restrictions regarding transferability and/or additional purchases of, or reallocation among, DFA funds will apply. **Separate Fees:** All mutual funds (and exchange traded fund) impose fees at the fund level (e.g. management fees and other fund expenses). All mutual fund fees are separate from, and in addition to, Market Street Wealth Management Advisors, LLC’s wealth management fee as described at Item 5 below. **Market Street Wealth Management Advisors, LLC’s Chief Compliance Officer, Tim B. Woodward, CFP®, remains available to address any questions that a client or prospective client may have regarding the above.**

Client Obligations. In performing our services, Market Street Wealth Management Advisors, LLC shall not be required to verify any information received from the client or from the client’s other professionals, and is expressly authorized to rely thereon. Moreover, each client is advised that it remains his/her/its responsibility to promptly notify us if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services.

Please Note: Investment Risk. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by Market Street Wealth Management Advisors, LLC) will be profitable or equal any specific performance level(s).

AMOUNT OF MANAGED ASSETS

As of 02/21/2017, we were actively managing \$288,000,000 of clients’ assets on a discretionary basis. We do not have any clients for which we manage assets on a nondiscretionary basis.

Item 5 Fees and Compensation

INVESTMENT SUPERVISORY SERVICES (“ISS”) INDIVIDUAL PORTFOLIO MANAGEMENT FEES

The annualized fee for Investment Supervisory Services is generally charged as a percentage of assets under management, according to the following schedule:

<u>Account Balance</u>	<u>Annual Fee</u>
\$0 - \$250,000	1.45%
\$250,000 - \$500,000	1.15%
\$500,000 - \$1,000,000	0.80%
\$1,000,000 - \$2,000,000	0.50%
\$2,000,000 +	0.35%

After the initial billing period, all accounts are subject to a minimum quarterly fee of \$625.00.

Subject to the limitations discussed at Item 4, the above fee schedule is inclusive of financial planning services requested by the client. **Please Note:** In the unanticipated event that the client requires extraordinary planning or consultation services, Market Street Wealth Management Advisors, LLC may determine to charge a client for such additional services pursuant to a stand-alone written agreement. **Please Also Note:** In the event that the client declines financial planning services or the client is an ERISA plan seeking investment management services, the above fee schedule will be discounted by thirty percent (30%).

PENSION CONSULTING FEES

Our fees for Pension Consulting Services are based on a percentage of assets under advisement, according to the following schedule:

<u>Plan's Balances at end of Applicable Quarter</u>	<u>Applicable Fee</u>
Up to and including \$1,000,000	0.1875%
In excess of \$1,000,000 and including, \$2,000,000	0.1250%
In Excess of \$2,000,000	0.0625%

The minimum quarterly fee is \$625.00.

FOUNDATIONS SERVICE FEES

Our fees for our basic Foundations service offering is based on a 1.00% charge of all assets under advisement through the Institutional Intelligent Portfolios™ program sponsored by Schwab Wealth Investment Advisory, Inc.

After the initial billing period, all accounts are subject to a minimum quarterly fee of \$200.00.

FINANCIAL PLANNING FEES

Market Street Wealth Management Advisors, LLC's Financial Planning fee is determined based on the nature of the services being provided and the complexity of each client's circumstances. All fees are agreed upon prior to entering into a contract with any client.

Our Financial Planning fees are calculated and charged on an hourly basis, ranging from \$100 to \$325 per hour. Although the length of time it will take to provide a Financial Plan will depend on each client's personal situation, we will provide an estimate for the total hours at the start of the advisory relationship.

We may request a retainer upon completion of our initial fact-finding session with the client; however, advance payment will never exceed \$500 for work that will not be completed within six months. The balance is due upon completion of the plan.

Financial Planning Fee Offset: Market Street Wealth Management Advisors, LLC reserves the discretion to reduce or waive the hourly fee and/or the minimum fixed fee if a financial planning client chooses to engage us for our Portfolio Management Services.

The client is billed quarterly in arrears based on actual hours accrued.

GENERAL INFORMATION

Termination of the Advisory Relationship – Please Note: The client acknowledges that the Adviser provides substantial consulting and/or planning services to its investment advisory clients at the commencement of the engagement for which the Adviser does not receive a separate fee (had the client engaged the Adviser to provide planning and consulting services on a stand-alone separate fee basis). Accordingly, in consideration of the planning and consulting services to be provided, the client agrees that in the event the client terminates the engagement prior to the conclusion of the 4th full billing quarter, the client shall compensate the Adviser for such services in the amount of \$2,500, in addition to the separate fee due for investment management services per Adviser's fee schedule. The client acknowledges that this fee is not a penalty, but fair reimbursement for Adviser's services.

Mutual Fund Fees: All fees paid to Market Street Wealth Management Advisors, LLC for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds and/or ETFs to their shareholders. These fees and expenses are described in each fund's prospectus. These fees will generally include a management fee, other fund expenses, and a possible distribution fee. A client could invest in a mutual fund directly, without our services. In that case, the client would not receive the services provided by our firm which are designed, among other things, to assist the client in determining which mutual fund or funds are most appropriate to each client's financial condition and objectives. Accordingly, the client should review both the fees charged by the funds and our fees to fully understand the total amount of fees to be paid by the client and to thereby evaluate the advisory services being provided.

Additional Fees and Expenses: In addition to our advisory fees, clients are also responsible for the fees and expenses charged by custodians and imposed by broker dealers, including, but not limited to, any transaction charges imposed by a broker dealer with which an independent investment manager effects transactions for the client's account(s). Please refer to the "Brokerage Practices" section (Item 12) of this Form ADV for additional information.

Grandfathering of Minimum Account Requirements: Pre-existing advisory clients are subject to Market Street Wealth Management Advisors, LLC's minimum account requirements and advisory fees in effect at the time the client entered into the advisory relationship. Therefore, our firm's minimum account requirements will differ among clients.

ERISA Accounts: Market Street Wealth Management Advisors, LLC is deemed to be a fiduciary to advisory clients that are employee benefit plans or individual retirement accounts (IRAs) pursuant to the Employee Retirement Income and Securities Act (“ERISA”), and regulations under the Internal Revenue Code of 1986 (the “Code”), respectively. As such, our firm is subject to specific duties and obligations under ERISA and the Internal Revenue Code that include among other things, restrictions concerning certain forms of compensation. To avoid engaging in prohibited transactions, Market Street Wealth Management Advisors, LLC may only charge fees for investment advice about products for which our firm and/or our related persons do not receive any commissions or 12b-1 fees.

Advisory Fees in General: Clients should note that similar advisory services may (or may not) be available from other registered (or unregistered) investment advisers for similar or lower fees.

Limited Prepayment of Fees: Under no circumstances do we require or solicit payment of fees in excess of \$1,200 more than six months in advance of services rendered.

PLEASE NOTE: IMPACT OF FEE MINIMUMS. If you maintain less than \$172,414 for Investment Management with Planning; \$172,414 for Investment Management without Planning (including ERISA Plan investment management services); \$80,000 for Foundations; or \$333,333 for Retirement Plan Consulting clients) of assets under Market Street Wealth Management Advisors, LLC’s management, and are subject to the quarterly minimum fee, you will pay a higher percentage quarterly fee than the percentage referenced in the above fee schedule.

Item 6 Performance-Based Fees and Side-By-Side Management

Not applicable.

Item 7 Types of Clients

Market Street Wealth Management Advisors, LLC provides advisory services to the following types of clients:

- Individuals (other than high net worth individuals)
- High net worth individuals
- Businesses
- Private Foundations
- Pension and Profit Sharing Plans (other than plan participants)

Market Street Wealth Management Advisors, LLC, in its sole discretion, may charge a lesser investment management fee and/or reduce or waive its aggregate portfolio minimum based upon certain criteria (i.e. anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, negotiations with client, etc.). **Please Note:** As indicated above at Item 5, if you maintain less than \$172,414 for Investment Management with Planning; \$172,414 for Investment Management without Planning (including ERISA Plan investment management services); \$80,000 for Foundations; or \$333,333 for Retirement Plan Consulting clients) of assets under Market Street Wealth Management Advisors, LLC's management and are subject to the quarterly minimum fee, you will pay a higher percentage quarterly fee than the percentage referenced in the fee schedule at Item 5 above.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

METHODS OF ANALYSIS

We use the following methods of analysis in formulating our investment advice and/or managing client assets:

Asset Allocation. Rather than focusing primarily on securities selection, we attempt to identify an appropriate ratio of equity securities, fixed income, and cash suitable to the client's investment goals and risk tolerance.

A risk of asset allocation is that the client may not participate in sharp increases in a particular security, industry or market sector. Another risk is that the ratio of equity securities, fixed income, and cash will change over time due to stock and market movements and, if not corrected, will no longer be appropriate for the client's goals.

Mutual Fund and/or ETF Analysis. We look at the experience and track record of the manager of the mutual fund or ETF in an attempt to determine if that manager has demonstrated an ability to invest over a period of time and in different economic conditions. We also monitor the funds or ETFs in an attempt to determine if they are continuing to follow their stated investment strategy.

A risk of mutual fund and/or ETF analysis is that, as in all securities investments, past performance does not guarantee future results. A manager who has been successful may not be able to replicate that success in the future. In addition, as we do not control the underlying investments in a fund or ETF, managers of different funds held by the client may purchase the same security, increasing the risk to the client if that security were to fall in value. There is also a risk that a manager may deviate from the stated investment mandate or strategy of the fund or ETF, which could make the holding(s) less suitable for the client's portfolio.

Risks for All Forms of Analysis. Our securities analysis methods rely on the assumption that the companies whose securities we purchase and sell, the rating agencies that review these securities, and other publicly-available sources of information about these securities, are

providing accurate and unbiased data. While we are alert to indications that data may be incorrect, there is always a risk that our analysis may be compromised by inaccurate or misleading information.

INVESTMENT STRATEGIES

We use the following strategy(ies) in managing client accounts, provided that such strategy(ies) are appropriate to the needs of the client and consistent with the client's investment objectives, risk tolerance, and time horizons, among other considerations:

Long-term Purchases. We purchase securities with the idea of holding them in the client's account for a year or longer. Typically, we employ this strategy when:

- we believe the securities to be currently undervalued, and/or
- we want exposure to a particular asset class over time, regardless of the current projection for this class.

The risk of a long-term purchase strategy is that by holding the security for this length of time, we may not take advantage of short-term gains that could be profitable to a client. Moreover, if our predictions are incorrect, a security may decline sharply in value before we make the decision to sell.

RISK OF LOSS

Security investments are not guaranteed and you may lose money on your investments. We ask that you work with us to help us understand your tolerance for risk.

Item 9 Disciplinary Information

We are required to disclose any legal or disciplinary events that are material to a client's or prospective client's evaluation of our advisory business or the integrity of our management.

Our firm and our management personnel have no reportable disciplinary events to disclose.

Item 10 Other Financial Industry Activities and Affiliations

Our firm and our related persons are not engaged in other financial industry activities and have no other industry affiliations.

Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

Our firm has adopted a Code of Ethics which sets forth high ethical standards of business conduct that we require of our employees, including compliance with applicable federal securities laws.

Market Street Wealth Management Advisors, LLC and our personnel owe a duty of loyalty, fairness and good faith towards our clients, and have an obligation to adhere not only to the specific provisions of the Code of Ethics but to the general principles that guide the Code.

Our Code of Ethics includes policies and procedures for the review of quarterly securities transactions reports as well as initial and annual securities holdings reports that must be submitted by the firm's access persons. Among other things, our Code of Ethics also requires the prior approval of any acquisition of securities in a limited offering (e.g., private placement) or an initial public offering. Our code also provides for oversight, enforcement and record keeping provisions.

Market Street Wealth Management Advisors, LLC's Code of Ethics further includes the firm's policy prohibiting the use of material nonpublic information. While we do not believe that we have any particular access to nonpublic information, all employees are reminded that such information may not be used in a personal or professional capacity.

A copy of our Code of Ethics is available to our advisory clients and prospective clients. You may request a copy by email sent to TimW@mswma.com, or by calling us at 317-870-1312.

Our Code of Ethics is designed to assure that the personal securities transactions, activities and interests of our employees will not interfere with (i) making decisions in the best interest of advisory clients and (ii) implementing such decisions while, at the same time, allowing employees to invest for their own accounts.

Our firm and/or individuals associated with our firm may buy or sell for their personal accounts securities identical to or different from those recommended to our clients. In addition, any related person(s) may have an interest or position in a certain security(ies) which may also be recommended to a client.

Item 12 Brokerage Practices

In the event that the client requests that we recommend a broker-dealer/custodian for execution and/or custodial services, we generally recommend that investment accounts be maintained at Charles Schwab & Co., Inc. ("Schwab") Prior to engaging us to provide investment management services, the client will be required to enter into a formal Investment Advisory Agreement with us setting forth the terms and conditions under which we shall manage the client's assets, and a separate custodial/clearing agreement with each designated broker-dealer/custodian.

Factors that we consider in recommending Schwab (or any other broker-dealer/custodian to clients) include historical relationship, financial strength, reputation, execution capabilities, pricing, research, and service. Although the commissions and/or transaction fees paid by our clients shall comply with our duty to obtain best execution, a client may pay a transaction fee that is higher than another qualified broker-dealer might charge to affect the same transaction where we determine, in good faith, that the transaction fee is reasonable. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer's services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although we will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client account transactions. The brokerage commissions or transaction fees charged by the designated broker-dealer/custodian are exclusive of, and in addition to, our investment advisory fee.

Non-Soft Dollar Research and Additional Benefits: Although not a material consideration when determining whether to recommend that a client utilize the services of a particular broker-dealer/custodian, we may receive from *Schwab* (or another broker-dealer/custodian, investment manager, platform or fund sponsor, or vendor) without cost (and/or at a discount) support services and/or products, certain of which assist us to better monitor and service client accounts maintained at such institutions. Included within the support services that may be obtained by us may be investment-related research, pricing information and market data, software and other technology that provide access to client account data, compliance and/or practice management-related publications, discounted or gratis consulting services, discounted and/or gratis attendance at conferences, meetings, and other educational and/or social events, marketing support-including client events, computer hardware and/or software and/or other products used by us in furtherance of its investment advisory business operations.

As indicated above, certain of the support services and/or products that may be received may assist us in managing and administering client accounts. Others do not directly provide such assistance, but rather assist us to manage and further develop its business enterprise.

Our clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* as a result of this arrangement. There is no corresponding commitment made by us to *Schwab* or any other any entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as result of the above arrangement.

Our Chief Compliance Officer, Tim B. Woodward, CFP®, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest such arrangements may create.

See also disclosure regarding *Foundations* at Item 4 above.

Directed Brokerage. We generally recommend that our clients utilize the brokerage and custodial services provided by *Schwab*. We generally do not accept directed brokerage arrangements (when a client requires that account transactions be effected through a specific broker-dealer). In such client directed arrangements, the client will negotiate terms and

arrangements for their account with that broker-dealer, and we will not seek better execution services or prices from other broker-dealers or be able to "batch" the client's transactions for execution through other broker-dealers with orders for other accounts managed by us. As a result, a client may pay higher commissions or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case. **Please Note:** In the event that the client directs us to effect securities transactions for the client's accounts through a specific broker-dealer, the client correspondingly acknowledges that such direction may cause the accounts to incur higher commissions or transaction costs than the accounts would otherwise incur had the client determined to effect account transactions through alternative clearing arrangements that we recommend. Higher transaction costs adversely impact account performance. **Please Also Note:** Transactions for directed accounts will generally be executed following the execution of portfolio transactions for non-directed accounts.

Order Aggregation. Transactions for each client account generally will be effected independently, unless we decide to purchase or sell the same securities for several clients at approximately the same time. We may (but is not obligated to) combine or "bunch" such orders to obtain best execution, to negotiate more favorable commission rates or to allocate equitably among our clients' differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will be averaged as to price and will be allocated among clients in proportion to the purchase and sale orders placed for each client account on any given day. We shall not receive any additional compensation or remuneration as a result of such aggregation.

Item 13 Review of Accounts

INVESTMENT SUPERVISORY SERVICES ("ISS") INDIVIDUAL PORTFOLIO MANAGEMENT

REVIEWS: While the underlying securities within Individual Portfolio Management Services accounts are continually monitored, these accounts are reviewed at least quarterly. Accounts are reviewed in the context of each client's stated investment objectives and guidelines. More frequent reviews may be triggered by material changes in variables such as the client's individual circumstances, or the market, political or economic environment.

These accounts are reviewed by a combination of our firm's Investment Analysts.

REPORTS: In addition to the monthly statements and confirmations of transactions that clients receive from their broker-dealer, we provide quarterly reports summarizing account performance, balances and holdings. We also provide daily account information via a secure client portal from our company's website.

PENSION CONSULTING SERVICES

REVIEWS: Market Street Wealth Management Advisors, LLC will review the client's Investment Policy Statement (IPS) whenever the client advises us of a change in circumstances regarding the needs of the plan. Market Street Wealth Management Advisors, LLC will also review the investment options of the plan according to the agreed upon time intervals established in the IPS. Such reviews will generally occur quarterly.

These accounts are reviewed by our firm's Investment Analysts.

REPORTS: These client accounts will receive reports as contracted for at the inception of the advisory relationship. The reports will include maintenance of Monitored and Watched Funds Lists and appropriate comments. Fund replacement recommendations are also made when appropriate.

FOUNDATIONS SERVICES

REVIEWS: The underlying securities within the Foundations accounts are continually monitored by Institutional Intelligent Portfolios™ sponsored by Schwab Wealth Investment Advisory, Inc. (the "Program" and "SWIA," respectively). Accounts are reviewed in the context of each client's stated investment objectives and guidelines. More frequent reviews may be initiated with Market Street by the client due to material changes in variables such as the client's individual circumstances, or the market, political or economic environment.

REPORTS: The Program provides clients with access to monthly statements and confirmations of transactions. The Program also provides daily account information via a secure client portal from the Program's website.

FINANCIAL PLANNING SERVICES

REVIEWS: While reviews may occur at different stages depending on the nature and terms of the specific engagement, typically no formal reviews will be conducted for Financial Planning clients unless otherwise contracted for.

REPORTS: Financial Planning clients will receive a completed financial plan. Additional reports will not typically be provided unless otherwise contracted for.

Item 14 Client Referrals and Other Compensation

As referenced in Item 12 above, we may receive from *Schwab*, without cost (and/or at a discount), support services and/or products. Our clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* as result of this arrangement. There is no corresponding commitment made by us to *Schwab* or any other entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as a result of the above arrangements. **Our Chief Compliance Officer, Tim B. Woodward, CFP®, remains available to address any questions that a client or prospective**

client may have regarding the above arrangement and any corresponding perceived conflict of interest such arrangements may create.

CLIENT REFERRALS

Our firm may pay referral fees to independent persons or firms (“Solicitors”) for introducing clients to us. Whenever we pay a referral fee, we require the Solicitor to provide the prospective client with a copy of this document (our *Firm Brochure*) and a separate disclosure statement that includes the following information:

- the Solicitor’s name and relationship with our firm;
- the fact that the Solicitor is being paid a referral fee;
- the amount of the fee; and
- whether the fee paid to us by the client will be increased above our normal fees in order to compensate the Solicitor.

As a matter of firm practice, the advisory fees paid to us by clients referred by solicitors are not increased as a result of any referral.

It is Market Street Wealth Management Advisors, LLC’s policy not to accept or allow our related persons to accept any form of compensation, including cash, sales awards or other prizes, from a non-client in conjunction with the advisory services we provide to our clients.

Item 15 Custody

We previously disclosed in the “Fees and Compensation” section (Item 5) of this Brochure that our firm directly debits advisory fees from client accounts.

As part of this billing process, the client’s custodian is advised of the amount of the fee to be deducted from that client’s account. On at least a quarterly basis, the custodian is required to send to the client a statement showing all transactions within the account during the reporting period.

Because the custodian does not calculate the amount of the fee to be deducted, it is important for clients to carefully review their custodial statements to verify the accuracy of the calculation, among other things. Clients should contact us directly if they believe that there may be an error in their statement.

In addition to the periodic statements that clients receive directly from their custodians, we also send account statements directly to our clients on a quarterly basis. We urge our clients to carefully compare the information provided on these statements to ensure that all account transactions, holdings and values are correct and current.

Item 16 Investment Discretion

Clients may hire us to provide discretionary asset management services, in which case we place trades in a client's account without contacting the client prior to each trade to obtain the client's permission.

Our discretionary authority includes the ability to do the following without contacting the client:

- determine the security to buy or sell; and/or
- determine the amount of the security to buy or sell

Clients give us discretionary authority when they sign a discretionary agreement with our firm, and may limit this authority by giving us written instructions. Clients may also change/amend such limitations by once again providing us with written instructions.

Item 17 Voting Client Securities

As a matter of firm policy, we do not vote proxies on behalf of clients. Clients are responsible for instructing each custodian, to forward to the client copies of all proxies and shareholder communications relating to the client's investment assets.

We do not offer any consulting assistance regarding proxy issues to clients.

Item 18 Financial Information

Under no circumstances do we require or solicit payment of fees in excess of \$1,200 per client more than six months in advance of services rendered. Therefore, we are not required to include a financial statement.

As an advisory firm that maintains discretionary authority for client accounts OR is deemed to have custody we are also required to disclose any financial condition that is reasonable likely to impair our ability to meet our contractual obligations. Market Street Wealth Management Advisors, LLC has no additional financial circumstances to report.

Market Street Wealth Management Advisors, LLC has not been the subject of a bankruptcy petition at any time during the past ten years.

ANY QUESTIONS: Our Chief Compliance Officer, Tim B. Woodward, CFP, remains available to address any questions regarding this Part 2A.
